Attached is the Turner smoking policy. Please note the circled paragraph. Don't Georgia, NY, and DC (where Turner has offices) have anti-discrimination laws? If so, should we do something to protest this violation of law?

Two operating changes, one now and one in 9 smoking.

New Fulton County smoking ordinances gov· prohibit smoking in open public spaces like tl and floor breakrooms. At the same time, this and previously designated areas in our cafeteri TAKE EFFECT ON MONDAY, JUNE 7, 1993.

Further, a company policy decision has also b facilities and TBS-owned and managed office where legal worldwide) as SMOKE-FREE ENVIRONMENTS by the end of the summer.

When this second policy takes effect IN 90 DAYS on SEPTEMBER 7, 1993, this will mean that smoking will be permitted only outside the building. This policy will apply to previously grandfathered employees who smoke.

TURNER WILL ALSO CONTINUE ITS EXISTING POLICY OF NOT HIRING SMOKERS AS WE HAVE DONE SINCE 1986.

As we have in the past, we will also continue to assist our employees with smoking cessation classes at the company's expense.

MORE INFORMATION WILL BE FORTHCOMING VERY SOON. AGAIN, THE NEW FULTON COUNTY ORDINANCES (ATLANTA ONLY) WILL TAKE EFFECT ON JUNE 7, 1993; THE NEW TURNER POLICY WILL TAKE EFFECT ON SEPTEMBER 7, 1993. ANY QUESTIONS MAY BE DIRECTED TO MY ATTENTION OR TO YOUR HUMAN RESOURCES REPRESENTATIVE.
